WHOLESALE TRADE LIST FOR DEALERS ONLY

May 15, 1962

IMPORTANT: Due to the fact that we have no control over the handling of your plants after they leave our Greenhouses, we can give no warranty as to the condition on their arrival. All shipments turned over to a Public Carrier become your property; claims for damage must be filed with them and not us. Broken pots result from rough handling and need not necessarily show outer damage to the carton. Each plant is very carefully wrapped and placed in the carton so the plants will reach you in good condition. We suggest that you drive in for your orders where it is possible, thereby avoiding the possibility of damage. We believe airfreight to be the most satisfactory method of shipping wherever it is available.
